

Nature

The Nature range has been inspired by the forces of nature, due to our desire to mirror the strength, elegance and timelessness of the elements they provide us: minerals, metals, wood, earth.

Based on this idea, the squeezers of the Nature range let materials and colours take centre stage. Neutral, restrained and smart materials and colours which transmit those sensations in the establishments where the juicers are installed, giving them a higher, both real and perceived, high end quality.

ZUMMO 

Z40 NATURE ADAPT

Speed and efficiency combination

Model Z40 Nature Adapt is the perfect juicer to attend to the needs of mass catering and megastores. Its capacity to extract large amounts of juice in a short period of time - up to 40 pcs. per minute! - permits satisfying the typical demand peaks of this type of establishments.

The evolution to Nature

- High quality injected plastic nuts.
- Smoky grey front cover.
- EVS Advanced juice extraction system.
- Automatic filter.
- New Adapt tray.
- New blade with improved cut.

Folding door basket

- **Increased durability:** as there are no elastic belts, there are no breakages, something that could also affect the optimal functioning of the blade.
- **Greater functionality:** avoiding maintenance tasks and replacement of broken or worn belts. Cleaning the kit is also much easier.
- **Greater yield:** the new kit leads to greater juice extraction yield. Thanks to its new design, up to 10% more juice can be obtained.

Automatic filter

How does the Self Service Adapt tray?

The Z40 range includes the new Adapt tap tray as standard equipment. The tap is activated like a swing lever, making it easier to use. It has two positions: continuous mode or tap mode. With this new design, the juice flow volume is greater and total discharge is guaranteed, avoiding accumulations in the bottom of the tray.

Self Service Adapt

Technical features

Fruit per minute	40
Weight	81.5 kg
Peel collection	30 l (2 x 15l)
Fruit diameter	53-76 mm. Opt: 64-88 mm / 77-100 mm / 40-60mm
Measurements	980 (h) x 595 (w) x 550 (d) mm
Protection	Blockage sensors
Basket capacity	20 kg
Programmer	Yes
Filter	Automatic
Dispensing tap	Yes
